

El Segundo High School, El Segundo, CA

Public School

El Segundo High School also known as "ESHS" or "El Segundo" is a four-year public High School located in El Segundo, California. El Segundo High School is housed in a classic 1927 landmark building with a spacious and beautiful campus. El Segundo High School claims the mantle of "California Distinguished High School," and in 2008, Newsweek Magazine placed ESHS in the top 5% of high schools nationally. El Segundo is a comprehensive (grades 9-12) high school featuring more than 150 courses. It maintains a strong, mostly college preparatory, academic program. Courses include Advanced Placement, Honors, Special Education, English Language Development, reading intervention program, as well as vocational programs. ESHS has a long tradition of preparing students for college and career readiness and is a well established system of supporting and encouraging each student's development as an individual. The school's faculty and staff make it their business to understand the intellectual, physical, and emotional growth and needs of each student.
